POST-OFFICE NOTICES.

When Correspondence has been mis-sent or delayed (both of which are liable to happen occasionally) all that the addresses need do is to note on the cover. Sent to - or Received at 7 p.m., or as the ease may be, and forward it, without any other writing whatever, to the Postmaster-General. This should be acted on the first time cause of complaint occurs; it is a mistake to let such matters pass for fear of giving trouble, a course which generally gives more trouble in the end.

LOCAL DELIVERY .- No delivery is attempted on board Ship, at the Peak, Kowloon, Aberdeen. &c., nor at any private house (even though named in the address) when there is a place of business nearer, at which delivery can be effected.
